DISC GOLF GENERAL INFORMATION

GENERAL

Disc Golf is played like ball golf using a flying disc. One point is counted each time the disc is thrown and when a penalty is incurred.

The object is to acquire the lowest score.

TEE THROWS

Tee Throws must be completed within the designated concrete tee area. Do not throw until the players in front of you are out of range.

LIE

The spot where the previous throw has landed, mark with a mini disc or turn over the thrown disc, directly towards the hole.

THROWING ORDER

After teeing off, the player whose disc is farthest from the hole always throws first. The player with the least amount of throws on the previous hole is the first to tee off on the next hole.

FAIRWAY THROWS

Fairway Throws must be made with the foot closest to the hole on the line. The other foot may be no closer to the hole than the lie. A run-up and a normal follow-through, after release, are allowed.

PUTTS

Throws within 10 meters of hole are considered putts. A putt must be made with the foot closest to the hole on the lie, and the other foot can be no closer to the hole. No follow-through beyond the lie is allowed, as the player must display balance until the disc comes to rest.

COMPLETION OF HOLE

A disc that comes to rest in the Disc Pole Hole Basket or chain constituted successful completion of that hole.

UN-PLAYABLE LIE

Any disc that comes to rest above the ground is considered an un-playable lie, such as landing in a tree. The disc must be thrown from the lie on the ground, directly underneath the un-playable lie. A disc that lands in the lake will be played from the point the disc entered the lake as an out of bounds throw.

Exception is on the tee shot on hole 8, if the shot lands in the lake the player may go to the designated drop zone for the next shot, plus a one stroke penalty for the out of bounds shot.

OUT OF BOUNDS

A throw that lands out of bounds, must be played from a 3 feet in bounds from where the disc went out of bounds. Landing on or across parking lots, tennis courts, field hockey courts, or near across any walking trail, and fence and pavilion are always out of bounds.

PENALTIES

Recreational players will not be penalized for rule infractions. Other players will keep you honest. Advanced players will be penalized on stroke for an out of bounds throw.

COURSE COURTESY

Please pick up trash and help new players play by the rules. You are the one that makes it work. By your example, Disc Golf will change your life and theirs too. Remember the most important rule: The one who had the most fun wins! Tee off & fly freely.
