# hybrid events

Hybrid solutions provide planners, sponsors, presenters, and attendees with the ability to reach more people. Together, we can identify the best option for you to connect audiences and presenters across multiple venues and locations.

A hybrid boardroom meeting is great for a small gathering in a huddle room, boardroom, or similar collaboration pod with an extension to remote participants.

## Benefits

- > Flexible cost-effective solutions for small groups
- > Ideal for in-person collaboration
- > Enhanced return by including remote participants
- > Utilize your own platform or take advantage of ours
- > Ensures success with experienced on-site technical support
- > Meet in a comfortable, safe, and full-service environment

## Boardroom Meeting Options

### Bring Your Own Device

- > Bring your own laptop to use as a personal camera
- > Realtime two-way audio and video communication
- > Screen sharing
- > Commercial grade Internet connection

### 360° Web Camera Interaction

- > Meeting Owl automatically detects and switches the camera to the active speaker/participant

### Presenter Enhancements

- > Professional camera angles and dedicated audio support to highlight key presenters
